Dear Fellow Official,

The Association's due date for renewal of membership is July 1. The dues are \$35.00 and the sport fee is \$5.00 per sport. In other words, if you work one sport, your amount will be \$40.00 and an additional \$5.00 for each additional sport.

To ensure that personal information is correct for our member roster, you **MUST** complete the attached form and indicate the sport(s) you intend to officiate. You must mail the completed form and your check or money order to the Association's mailing address before 1 July. **Any dues received with a post mark on or after 1 July will be assessed a late fee of \$25.00** and you will not receive any assignments from the Association until paid.

Be assured that your personal information is protected and is only given to authorized individuals or schools.

You are reminded to check the Association's website and your e-mail regularly. MSHSAA, your commissioner and I will send you an e-mail to provide you critical information of upcoming or immediate changes. It is your responsibility to stay current with any news or up-coming events of the Association. Likewise, MSHSAA will post an announcement to rules or mechanics meetings on their website at 3:00 PM if changes or cancellations are made.

As posted on the MSHSAA website, renewal of MSHSAA registration is now due July 1st, beginning this year.

The Association's Executive Board wishes you great success this year!

Respectfully,

Secretary/Treasurer
